

3D User Interfaces

Final Presentations

Marcus Tönnis, Patrick Maier

New Schedule for Project Presentations

- Changes in Organization and Schedule
 - DemoDay 2013 will take place on 16.7.2013
 - See <http://campar.in.tum.de/view/Chair/DemoDaySs13>
 - You thus will have two days less to finish your project ☹
 - But you will have spare time on July 18 (no exercise) ☺
 - We expect all projects to yield joyful results
 - All projects thus will present on the DemoDay
 - We will do the interviews for the bonus at the DemoDay
 - You are registered automatically
- Therefore prepare ONE (1!) slide for the initial presentation (template on webpage), send it to me until July 14
